Exhibit Ideas:

- * Visual displays of students' work (actual samples and photos)
- * Mathematical exhibits (geometry, etc.)
- * Artwork
- * Science and technology demonstrations
- * Industrial Arts presentations
- * Scrapbooks with student samples

- * Binders with student samples
- * Dioramas, etc.
- * Color, color, color ☺

*Unfortunately, projects are left on display tables at our own risk;
When setting up displays, remember to bring and use:
heavy duty tape, safety pins, push-pins, stapler and staples (for the foam boards)
Please decorate the back of the foam boards. ☺*

Sun., April 22, 2012 Take-Down Guidelines 5:30 p.m.

*Sun., April 22, 2012
Take-Down Guidelines
5:30 p.m.*

- * Return your district signs to the MCCEA Headquarters Table (you'll have to sign for these).
- * The Rockaway Mall closes at 6:00 p.m.; therefore, please do not remove the foam display boards from the tables until then. Before you leave, please unscrew the hardware for the display boards and place the board behind your table (leave the hardware towards the middle-back of the table). *You may take the foam display boards with you if you'd like. ☺*
- * Please be respectful and throw away trash; look for and dispose of pins and staples
- * Please bring the tablecloths to the corridor by Macys/Red Robin (upper level)
