Memo to: District Presidents, PRIDE Representatives, and MALL PROJECT Representatives  
From : Pete Pettinelli, MCCEA PRIDE Committee Chairman  
Re: MCCEA Mall Project, and Celebration of Great Public Schools Celebration

It is a delightful opportunity to work with each of you in the creation of the **2010 MCCEA Mall Project and Rally for Great Public Schools Celebration** held annually at the Rockaway Mall. We are excited about this opportunity to share with our communities the outstanding and creative work that the students in Morris County do each and every year. Together we can make these events a significant means of communicating all of the things that are right about our Morris County public schools.

This packet is designed to share with every district the necessary details and information regarding these two events. We ask that you make copies and forward this information to all of the people who would benefit from it. The packet includes the following details:

1. An information sheet detailing times, dates and other particulars for both the Mall Project and the Rally for Great Public Schools as well as exhibit ideas that you might want to share with the public at the mall.
2. A registration form that each district participating in the mall project should complete and return prior to February 1, 2010.
3. A Mall Project performance registration form that should be submitted by each district that wishes to share a performance with the public during the Mall Project. Performances are not limited to the musical genre but may include drama, readings, and other items of a district's choosing.
4. A form for those districts who do not have a MCCEA Pride representative or a mall representative. We ask that presidents of these districts nominate a person to fill these responsibilities and return their names to us at their earliest convenience. A description of responsibilities is included with the form.

My goal is to provide quality opportunities for Morris County public schools, their staffs and their students to highlight all of the good things that are taking place in our schools. I pledge to you to provide solid organization and timely and accurate communication with all district representatives. As always, your input, feedback, questions and communications are welcomed. I look forward to a productive and exciting relationship with each district in the county.

Sincerely,

Pete Pettinelli, Chairman  
MCCEA PRIDE Committee

Re: Music Ensembles Concert

Hello all,

I am writing to inform you of an additional PRIDE event this year. I wish to put together an Instrumental Ensemble and Choral Ensemble consisting of Morris County Music Teachers and others to present a concert of easily recognizable selections for an evening of fun and entertainment.

Any Elementary, Middle School or High School Music Teacher is both welcomed and encouraged to join fellow colleagues for an evening of music making. The date for the concert is Thursday April 22, 2010 beginning at 7:00 pm at the Rockaway Mall. The concert will be one hour in length. Light refreshments will be served.

If you have any interest in performing, please contact me at the information listed below. It would be nice to have a few teachers from each school district in Morris County participating with us. It would be an excellent group and excellent experience. Hoping you will join us.

Thanks,
