## BROADWAY'S BEGINNINGS

Journey back in time with our **Green Team Guides** to Broadway's early years full of roof garden theaters, tap shoes, and theatrical con artists. Learn the true difference between a **Broadway** theater and an **Off-Broadway** theater and revel in the secrets hidden in plain sight in some of Broadway's most famous theaters. Tour-goers will hear how a show is created from the first rehearsal to **opening night** and all of the craziness in between.

And, of course, we'll explore the spirits that may still be lurking in the shadows backstage with a few unbelievable **ghost stories**. With rarely seen photographs and videos from years of research, tour-goers will see Broadway's past and present merge before their eyes.
